### Seacoast Fast pitch house rules:

1hr 45 min time limit. Game play will end strictly when the time limit expires (no new inning after 90 min. No new batter after 100 min). Warm up time is limited to the 15 minutes prior to game time. Coaches and captains called 5 minutes prior to game time for coin flip to determine home/away. Pitchers get 3 warm-ups and catchers throw down. 3 outs or 4 runs scored will end inning. Free substitutions. Bat entire line up. Additional house rules will be discussed prior to play.

**\*IMPORTANT\*** Team members are encouraged to wear their helmets while on the sidelines for safety purposes. Spectators (parents/family members/fans) should observe from the opposite sideline, keeping team sidelines open and available for players. This is for safety, to reduce congestion and accelerate game flow between play.

Thanks in advance for your cooperation!
